DESCRIPTION

- 7a. Architectural style: Craftsman
- 7b. Briefly describe the present physical description of the site or structure and describe any major alterations from its original condition:

 Legal: Eitzen Tract, Lot 2

 This 1 1/2 story Craftsman house features a medium, side-facing gable roof with a large gabled dormer facing the street. The roof has wide eaves with knee braces and exposed rafter ends. A cement block chimney pierces the eave on the right side. The front porch, which is recessed under the house roof, has four square roof supports and has been carefully enclosed with windows. Most of the windows, except for the porch, are double hung throughout the house. The original siding has been covered or replaced with asbestos shingles. The chimney does not appear to be original.
